RE: Your Request for Administrative Remedy

Your most recent Request for Administrative Remedy which concerns your need to speak with Warden Streeter about conditions at Unit 32 has been accepted, however, it is noted that you have a previously accepted ARP or ARP's which is /are presently under review. Your most recent request for Administrative Remedy is being set aside for handling in due course. If you wish to have your request handled now through the Administrative Remedy Program, you may withdraw (in writing) all pending ARP's.
